Please send this information to Stan Bills, 655 Newberry St., Alliance, NE 69301. This information will be compiled to report to the State Aerie and State Auxiliary at Convention time. Go back to June 1, 2010 and the activities you have supported. You may send them all in one report, or as they happen. I will need them all by June 1, 2011 in order to compile the amounts by State Convention time. Thanks for your help. It is important that the State Officers see, and understand, the positive impact we are having on the image of Eagles across the state of Nebraska.
